July 2012
Volume 7, Issue 7

Over thirty businesses and community leaders attended our chamber-after-hours event Tuesday, June 12 at Friendship Village. Door prizes were donated by Frontier Communications, Flash Quick Copy, New York Pizzeria and Office Depot. The food was excellent, networking was great and the tour of Friendship Village's new Skilled Therapy Center was well received. Our special thanks to Frontier Communications for sponsoring our event, Friendship Village for being a gracious host, and all the vendors that donated a door prize.

The Alzheimer's Association, Colbert Health & Wellness Center, Heard Management and Trotwood Library made presentations at our members quarterly meeting in May. The information provided was very informative and beneficial to all in attendance. Thank all of you so very much for your presentations.

Our next quarterly meeting is scheduled for Wednesday, August 15 at 12:30 p.m. Presentations will be made by Trotwood City Services ... Fire, Police, Parks & Recreation and Public Works. Mark your calendar for August 15 and attend this very informative meeting.

Thank you for renewing your membership
Fifth Third Bank
Chiappa Firearms Limited
Rumpke Waste Removal

The Officers and Board of Directors truly appreciate your membership and your participation in our events. If there

is anything we can do to assist you, please call the Chamber at 937.837.1484, email trotwoodchamber@earthlink.net or visit our website at www.trotwoodchamber.org for benefits provided to Chamber Members.

Don't forget to present your store purchasing card when you shop at Office Depot to receive discounts on items you buy. Should you have a problem, please call the Chamber at 937.837.1484 or our representative Mark Ewald at 937.673.1873.

Don't forget to "think globally and shop locally!"

Marie Battle, Executive Director

Have a
Safe and enjoyable
4th of July

The OSHA On-Site Consultation program is offered at no charge to employers through the Ohio BWC's Division of Safety & Hygiene. This program is funded mainly by the US Department of Labor through the BWC. The On-Site Consultation is offered to small Ohio employers in high-risk industries and assists them in identifying potential safety hazards and what steps they can take to correct them.

This Program offers:

- On-site safety inspections and consultation at no charge
- Assistance with safety program execution
- Safety and hygiene training
- Additional resources both printed and electronic

Unlike the federal OSHA program, OSHA On-Site Consultation does not:

- Have right of entry to a workplace
- Issue citations or fines

This service is only initiated by the employer, not OSHA or BWC. Once initiated, the employer and BWC will agree upon a deadline within which they will rectify any safety problems that were discovered during the consultation. For more information, please visit the BWC Division of Safety & Hygiene OSHA On-Site Consultation site at <http://www.ohiobwc.com/employer/programs/safety/SandHOSHAonsiteDetails.asp>

Step 8 Written & Communicated Safe Work Practices

Safe work practices are essential to a safe work environment.

Written procedures should be developed and used to guide your company's safety effort. These in turn need to be communicated to all management and hourly employees.

The safety manual or handbook should include company wide work practices, OSHA specific written procedures and job or task specific safe operating procedures. The manual should also include Safety Policy Statement, Management and Employee Responsibilities and General Work Rules. Ask your employees or Safety Committee to help in developing these guidelines.

Examples of some of the information that should be included:

- Safety Policy Statement
- Management and Employee Safety Responsibilities
- Safety Coordinator Responsibilities
- General Work Rules
- Housekeeping
- Proper Lifting
- Personal Protective Equipment
- First Aid Procedures
- Hazard Communication
- Lockout/Tagout
- Fire Extinguisher Operation
- Safe Use of Tools and Equipment
- Machine Guarding and Safe Operating Procedures
- Emergency Evacuation
- Bloodborne Pathogens if applicable
- Job Specific Safe Work Practices

Other items should be included as necessary
