To all of you that supported me in celebrating the life of my husband, Jimmie E. Battle, thank you so very much. Your support and thoughtfulness will never be forgotten.

As I go through this transition in the celebration of life of my husband Jimmie Battle, I realize there are things one should do or be aware of in navigating life after the death of a love one.

1. Make sure you change beneficiary on retirement account and insurance policies.
2. Before meeting with anyone, you will need a death certificate.
3. Meet with an attorney to assure your **Will** and other information are up-to-date.
4. Name designees in your **Will** and what you would like for him/her to receive (be specific).
5. If your love one was on Social Security, there are three things you will need before meeting with them—birth certificate, death certificate, (if married) marriage license .
6. To change car title and TOD, you must have a death certificate.

## 2019-2020 Group Experience Rating Packets Arriving Soon!

We have mailed eligible clients their 2019-2020 Group Experience Rating Enrollment Renewal Packets.

This year, there are 2 new premium determination factors (EM Adjustment Factor & Premium Size Factor).

The Experience Modifier Adjustment Factor will be applied to the employer's individual experience modifier (EM) to increase/decrease the original modifier and ultimately the premiums the employer will pay. Employers with an original EM of .91 to 1.99 will see no change in their individual EM. The EM adjustment factor will NOT apply to the following employers:

- Professional Employer Organizations (PEO)
- Employers participating in a Group Experience Rating Program
- Employers participating in the 100% EM Cap or Construction Cap Programs
- Employers participating in the Grow Ohio Incentive Program

The final rating adjustment is the Premium Size Factor. This rating adjustment will only apply to employers that are paying over \$5,000 per year in premiums. Employers will receive discounts on various ranges of premiums over \$5,000. The discounts will be applied to the pure premium (premiums without BWC administrative costs). The Premium Size Factor will not apply to the following employers, regardless of premiums size:

- Professional Employer Organizations (PEO)
- Employers participating in a Group Experience Rating Program

These rating adjustments are NOT BWC discount programs and do NOT require an enrollment, the BWC will apply the adjustments were applicable.

While reviewing discount program options for 2019, be aware of the savings that these rating adjustments provide. The savings generated by these adjustments may be more significant than BWC discount programs.
