Our sincere thanks to our sponsors— Friendship Village, Montgomery County Development Services and the City of Trotwood; vendors, and all those that participated in our Business Expo/Job Fair Wednesday, June 20 at Friendship Village. Our Business

Expo/Job Fair could not have taken place if it had not been for your support to our Chamber ... you are the BEST!

Trotwood Chamber's "Identity Theft Networking Before 9" was successful. Our presenter Steve Popp, gave an excellent presentation on steps you can take to protect yourself from identity theft. The number one identity theft is the Social Security Number. You should check online accounts often. To protect your personal information you should put a credit freeze on your account(s). Three things we should do to protect our information are: 1) deter-stop; 2) delect-watch; 3) deliver-resolve.

Our sincere thanks to North Dayton School of Discovery for sponsoring and hosting this event.

Six Habits to Adopt to be Happier

by Sales Expert Geoffrey James

1. Expect the best—life usually lives up to your expectation, so set your expectations high.
2. Plan and prioritize—make sure you do one thing first each day that will move you closer to your highest goal and purpose in life.
3. Give everyone you meet a gift—it could be as simple as a smile or kind word
4. Assume others have good intentions
5. Don't stress what you can't control
6. Be grateful—write down one thing that happened to you during the day.

"Folks are usually about as happy as they make their minds up to be."

In a conversation with Marie Battle a few years ago, I mentioned that one of the many benefits I received from Chamber membership was the discounts granted at Office Depot. I guesstimated that the savings more than paid for my membership. Okay. Let's stop with the guessing.

Today I decided to prove my gut feeling. Here are the results just for 2018 so far:

Investment:	\$ 95.00 Chamber dues (0-3 employees)
Savings realized :	\$100.33 January \$149.07 March \$ 13.11 May
Total Savings YTD	\$262.51

Hmm. \$262.51 savings IN 6 MONTHS on an annual investment of \$95. No brainer. EXCELLENT use of funds.

More than **A**
BILLION
back again

Employers in the State Fund should start expecting their rebate checks! Over several weeks beginning in early July, checks equal to 85% of the premiums paid for the policy year that ended June 30, 2017

(calendar year 2016 for public employers) will be sent!

Of the \$1.5 billion, an estimated \$48 million will go to schools and \$111 million to local government entities. That's on top of \$402 million in rebates those public taxing districts have received since 2013 (\$125 million for schools, \$277 million for others).

Group-Rating Safety Accountability Letter

Dear Employer:

Each year Ohio employers have the opportunity to participate in BWC's Group-Experience-Rating Program or Group-Retrospective-Rating Program. While these programs are not required, they do provide you with an opportunity to significantly reduce your workers' compensation premiums, while increasing your awareness of safety and risk-management strategies.

Workplace safety is an important component of these programs. To succeed in accident prevention, we encourage you to use the many resources available to you. We believe a group-rating program is a partnership that includes you and your employees, your sponsoring organization or third-party administrator (TPA) and BWC. Each has specific roles and responsibilities, all designed to assist in preventing workplace accidents. This letter outlines the safety services expectations you should have as an employer enrolled in a group-rating program.

The employer will:

- Sponsor eight hours of safety training (this may be done at one time or may be provided incrementally as long as the total is at least eight hours);
- Provide information regarding safety resources to group members;
- Possibly assist an employer in achieving its safety needs;
- Manage employer fulfillment of the two-hour training requirement, where applicable;
- Publish this letter to group members.

The TPA may:

- Assist sponsoring organizations with fulfilling the group-rating safety requirements;
- Assist an employer with its safety needs;
- Work in conjunction with sponsors to develop safety training and deliver safety resources;
- Provide resources for claims handling.

BWC will:

- Monitor all group-rating safety activities to confirm requirements are met;
- Remain in communication with sponsoring organizations to provide recommendations for fulfilling safety requirements;
- Provide safety training through Ohio's Center for Occupational Safety & Health;
- Offer on-site safety consultation (hazard assessments, air and noise monitoring, ergonomics evaluation, training) by a BWC safety professional;
- Offer publications and videos for safety program support;
- Conduct employer visits to confirm the employer is meeting group-rating requirements, when appropriate.

The goal of this collaborative effort is to make sure all your safety needs are met. Using these resources will assist you in preventing accidents, reducing claims costs and achieving the highest discounts possible. Below you'll find contact information for various resources.
