The History of Trotwood Chamber

In 1979 a group of business leaders felt the need to have an organization that would help nurture the businesses in Trotwood. They created the Trotwood-Madison Chamber of Commerce. In 1996 when the City merged with Madison Township, the board of directors determined the organizations name should be changed to the Trotwood Chamber of Commerce.

Its first director was Arthur Wallace, working from an office at 100 East Main Street. There has been several directors since (including Wallace's daughter Joan Foley). The office has been relocated a few times having its address at the Hara Conference Center, the City Government Center and today it is housed at Friendship Village, 5790 Denlinger Road-Suite 4011.

The Chamber strives to be a positive voice for the community and sponsor many events to enhance the business experience and educate owners as well as the community. It is a member of Southern Ohio Chamber Alliance, Ohio Chambers, Chamber of Commerce Executive of Ohio, Miami Valley Military Affairs, Trotwood Historical Society, Northern Chamber Coalition and BBB.

The Chamber continues to find new ways to help businesses prepare for success and help them to grow their business. We also believe it is vital that the community support local businesses. We are here to help you! Give us a call at 937-837-1484 or email mbattle@trotwoodchamber.org

"Leadership isn't something that comes automatically just because you have people working for you. Leadership depends on followers. If people don't follow a manager's lead voluntarily, if they always have to be forced, that person is not a good leader." General Eisenhower.

Interesting Facts About Trotwood

The first example of planned development occurred in 1898 when the village of Trotwood was platted by Robert Pleasant and Nathan Worley who later had streets named for them. Trotwood was incorporated March 15, 1901

and at that time included 124.33 acres. In the early 1900s civic and business progress continued. In 1902 telephone service was made available in town. Also by 1902, Trotwood was one of the first villages to have water service. The Farmers and Citizens Bank opened for business in 1909, and when Vaniman Ford opened in 1910 the Village of Trotwood's population was 348 people. In 1912 electric service first became available here. With the advent of the nation's depression, the Trotwood-Madison community suffered like the rest of the nation. And yet in 1932 another entrepreneurial milestone occurred when Trotwood Trailers opened as one of the first recreational vehicle manufacturers in the U.S. making travel trailers and later mobile homes.

Homefull Mobile Grocery will be in the Trotwood Community the 1st and 3rd Friday of each month from 1-4 p.m. at MVCDC, 2900 Shiloh Springs Road, Trotwood OH; 2nd and 4th Friday of each month from 1-4 p.m. at Trotwood Church of the Brethren, 208 E. Main Street, Trotwood OH

The City of Trotwood Police Department has been recognized by the National Accreditation from the Commission of Accreditation for Law Enforcement Agencies (CALEA). The Trotwood Police Department has been accredited by CALEA since 2003.

The city of Trotwood and Trotwood Community Improvement Corporation (TCIC) have been working hard over the past 5 years to bring a grocery partner to the community. In working with Gordon Food Service, who was already a local business partner, the city of Trotwood will be welcoming their relocation and expansion into a full service supermarket in the community later this year. Their expansion will move their location into a former, vacant Best-Buy building that will only further help our redevelopment efforts and spur additional economic growth.

Most importantly, this provides an accessible full-service grocery option for Trotwood and nearby residents. We look forward to supporting GFS in the Trotwood community over the years to come.
