What is the SOCA Benefit Plan?

The SOCA Benefit Plan administered by Anthem is a multiple employer welfare arrangement (MEWA) that allows small businesses and sole proprietors to join together in a self-funded group to access health benefits typically reserved for large employers.

Members share in the overall claims risk—helping to keep rates more stable and affordable. As part of a large, self-funded pool, you'll also get the peace of mind that comes with Anthem's stop-loss coverage, which protects the group financially if claims are higher than expected.
