Private Employer True-Up due August 31st

BWC determines employer premiums based on the amount of payroll (exposure) reported multiplied by a specific rate. At the beginning of each policy period, BWC sets an estimated annual premium (EAP). At the end of the policy year, BWC must reconcile the premium. To do this, employers must file a true-up report that reflects their actual payroll for the preceding policy year.

The true-up window for private employers opens July 1, and the deadline to file is August 31. If your actual payroll is higher than estimated, you will owe additional premium. If your actual payroll is lower, you will receive a premium credit.

To remain in good standing, employers must both submit the true-up report and pay any outstanding premium by the deadline.

How to Complete Your True-Up

Online at BWC's website (the easiest and preferred option): www.bwc.ohio.gov By phone through BWC's customer service line at 1-800-644-6292

Should you have questions or need assistance, please contact **Kathleen Davenport**, **Southwest Regional Business Consultant**, Employer Services, D: 513-785.4591, C: 614.357-6970, Kathleen.Davenport@bwc.ohio.gov
